- 12 - Tie Out Cables
- 12 - Nylon Leads
- 12 - Tubular tracking Lines
- 12 - Muzzles
- 12 - Kongs
- 12 - Vari-Kennels
- 12 - 9 Quart Stainless Steel Water Pails

MP BN WEST COAST MWD GEAR

- **The following items were purchased by HQMC (POS) for 12 MWDs**
  - **1 - Garrett Container (Portable Kennel)**
  - **4 - 1000W Wheeled Lite-Carts**
  - **1 - Ice Machine**
  - **1 - Intermediate Sleeve**
  - **1 - Syntek Hidden Sleeve**
  - **3 - Trial Sleeve**
  - **1 - Ultra Kimono Trial Bite Suit**
  - **96 - Dog Boots**
  - **12 - Brushes**

MP BN WEST COAST MWD GEAR (Continued)

- 24 - Choke Chains
- 12 - Collars
- 1 - Doogie Dooley Sanitation Waste System
- 12 - 5 Quart Stainless Steel Feed Pans
- 3 - Tracking Harness
- 12 - Tie Out Cables
- 12 - Nylon Leads
- 12 - Tubular tracking Lines
- 12 - Muzzles
- 12 - Kongs
- 12 - Vari-Kennels
- 12 - 9 Quart Stainless Steel Water Pails

MP BN OVERSEAS MWD GEAR

- **The following items were purchased by HQMC (POS) for 8 MWDs**
  - **3 - Garrett Containers (Portable Kennels)**
  - **3 - 1000W Wheeled Lite-Carts**
  - **1 - Ice Machine**
  - **1 - Intermediate Sleeve**
  - **1 - Syntek Hidden Sleeve**
  - **2 - Trial Sleeve**
  - **1 - Ultra Kimono Trial Bite Suit**
  - **64 - Dog Boots**
  - **8 - Brushes**

MP BN OVERSEAS MWD GEAR (Continued)

- 16 - Choke Chains
- 8 - Collars
- 1 - Doogie Dooley Sanitation Waste System
- 8 - 5 Quart Stainless Steel Feed Pans
- 2 - Tracking Harness
- 8 - Tie Out Cables
- 8 - Nylon Leads
- 8 - Tubular tracking Lines
- 8 - Muzzles
- 8 - Kongs
- 8 - Vari-Kennels
- 8 - 9 Quart Stainless Steel Water Pails

VINYL TRAINING OBSTACLES

- **HQMC (POS) purchased a set of vinyl training obstacles for each base/station**
- **Set includes the following:**
  - **3 - Dog Hurdles**
  - **1 - Double Stairway**
  - **1 - Dog Walk**
  - **1 - Window Obstacle**
  - **1 - A-Frame**
  - **1 - Tunnel**

SECOND DESTINATION TRANSPORTATION FUNDING FOR MWDS

- **HQMC (I&L) will start funding for the transportation (shipment) cost of MWDs from Lackland AFB to the receiving base / station**

- **This does not include returning MWDs to Lackland AFB**
  - **Base / station must fund the return shipment cost**

MDMA (ECSTASY)

- **NCIS Forensic Lab has supplied all PMOs with MDMA (ecstasy) training aids except for:**
  - **MCB Camp Butler**
  - **MCRD San Diego**

RETURNING MWD PROCEDURES

- **The following are the procedures for returning MWDs:**
  - **Veterinarian should do the following:**
    - **Consult with veterinarians at Lackland AFB**
    - **Provide Kennel Master with a letter**
      - **Summarizing the MWD physical condition**
      - **Provide recent copy of DD Form 1829 (Physical Form)**
      - **State his/her recommendation on disposition**
      - **Recommend the MWD should be replaced within the year**
  - **The Provost Marshal submits letter to HQMC (POS-14) MWD Program Manager with the veterinarian letter and DD Form 1829 as enclosures requesting disposition instructions on the MWD.**

RETURNING MWD PROCEDURES (continued)

- **The Provost Marshal letter should contain the following:**
  - **Identify the problem with MWD**
  - **What has been done to correct the problem**
  - **Copy of training record**
  - **Provost Marshal recommendation as to the MWD**
    - **Return to Lackland AFB as a trainer**
    - **Euthanize**
    - **Candidate for the adoption program**
      - » **A video tape of the MWD (Protocol for Bite Muzzle Testing Of Patrol-Trained Military Working Dogs as Potential Adoption Candidates)**
  - **Request a replacement be ordered**

RETURNING MWD PROCEDURES (continued)

- The MWD Program Manager endorses the Provost Marshal letter and forwards it to Lackland AFB for evaluation/disposition instructions
- Lackland AFB will review the package on both training and medical and a recommendation is made to the disposition board
- Lackland AFB will then contact the Kennel Master on the disposition instructions
- Kennel Master notifies MWD Program Manager of the disposition instructions

ADOPTION PROCEDURES

- **Lackland AFB reviews package and if the disposition board recommends the MWD as excess and suitable for adoption, the following procedures must take place**
  - **MWD evaluated by Provost Marshal, Kennel Master and local Veterinarian**
  - **Complete adoption package paperwork**
    - **Protocol for Bite Muzzle Testing Of Patrol-Trained Military Working Dogs as Potential Adoption Candidates if not previously conducted**
    - **Locate candidates to adopt MWD**
    - **Complete MWD Adoption Suitability Checklist**
    - **Candidate completes MWD Adoption Application**
    - **Candidate answers Supplemental Adoption Interview Form**
    - **Candidate completes Covenant not to Sue with Indemnity Agreement**

ADOPTION PROCEDURES (Continued)

- Adoption package is forwarded to Lackland AFB for final approval

- Lackland AFB approves/disapproves

- The Provost Marshal is the decision maker in the suitability of this process

- A copy of the adoption package is enclosed

MCO 5585.2 (MWD MANUAL)

- **OPNAVINST 5585.2B is current MWD Manual**
  - **Has a lot of information that does not pertain to USMC**
- **Currently working on writing MCO 5585.2**
  - **Anticipate draft completed by Apr 02.**
  - **Will staff to Kennel Masters for review/comments.**
